REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the prior art does not teach or disclose a cathode ray tube device, comprising, in combination with remaining features of the claims, a cathode ray tube including an electron gun; a deflection yoke; and a velocity modulation device disposed on a cathode side of the deflection yoke, the velocity modulation device including a velocity modulation coil, all or part of a circumference of the velocity modulation coil being covered with material having an initial permeability of at least 10 at 2 MHz (independent claims 1 and 4); in independent claims 3 and 5, the coil being toroidally wound over the core, the core including material having an initial permeability of at least 10 at 2 MHz.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David Vu whose telephone number is (571) 272-1831. The examiner can normally be reached on M-F 8am-430pm.
